Work Experience

Marketing Coordinator - Focumon (Jan 2024 - Present)

- A productivity app inspired by the Pokémon franchise where users can collect 100+ monsters as they stay focused. My marketing efforts increased the user base to 20,000+ users.
- Executed targeted paid advertising campaigns on Instagram, Facebook, and Google to attract new users.
- Designed and executed targeted email marketing campaigns to engage audiences and drive customer acquisition.
- Created compelling copy and design of website and paid ads, to increase traffic and enhance user experience.
- Updated and maintained website content using a CMS, ensuring accuracy and consistency.
- Managed and analyzed customer data using a CRM to identify trends and opportunities for personalized outreach, automate workflow, and improve team efficiency.
- Leveraged analytics, A/B testing, and data to inform marketing efforts.
- Managed social media presence, designing and creating engaging posts/reels for Instagram.
- Collaborated with influencers/organizations to enhance brand awareness and attract new customers.
- Authored blog posts with optimized keywords to expand audience reach.
- Managed the online community, regularly engaged with users, and responded to questions and inquiries.
